Description

These tough little performers feature:
*Two separate internal air-chambers for safety and peace-of-mind
*Slatted floorboards for extra stability
*Rounded end-cones for better performance
*PVC-coated transom for your outboard and standard transom cap, to avoid knocks when rigging the boat
*A more comfortable rowing position
*New dual-action hand pump for even quicker inflation/assembly
Designed to carry up to 3 adults. Versatile tender for cruising boats and yachts. Horsepower options that best suit this model, are from 2.5 and 5hp outboards

Due to our constant efforts to offer the finest products available, Mercury inflatables reserves the right to change specifications without notice.Equipment □□□ □□□Hull
• Compact & lightweight inflatable boat, ideal for rowing or short distances
• Slatted floor boards wrapped in Mehler Haku PVC fabric (no inflatable keel, not a performance boat)
• Stainless steel towing eyes in transom, make ideal davit lifting points.
• ABS sheet laminated transom, eliminates transom maintenance.
• Inside one way water drain.
Buoyancy Tube
• Thermowelded in long lasting and durable light grey Mehler Haku PVC fabric 0.7mm thick
• 2 separate internal air chambers for safety
• Semi-recessed air valves - self draining, internal spring-loaded quick seal system, with plug.
• Rounded end cones. Ideal for quicker planning & four stroke outboards, eliminates water backwash and provides better stability.
