Description

Mercury 9.9 HP Twostroke - Whether you're a fisherman, a yachtie or looking to run a smaller leisure vessel - Mercury's range of portable TwoStrokes provide the power that can go anywhere and keep on going. Calculate your fuel savings

The Mercury Fuel Savings Calculator will allow you to easily calculate the possible fuel savings of a Mercury FourStroke outboard!

Choose how you use your boat, select the TwoStroke and FourStroke horsepower - and our tool will show your potential fuel savings. If you're looking to upgrade or add more power, you can even choose different FourStroke and TwoStroke horsepower options! Lightweight.

Easy to handle with conveniently located carrying handles and grips. Powerful.

With proven reliability around the world. Instant Start.

Easy starting with modular electronic CD ignition. And very simple to maintain too.
