## Description

Mercury Racing's new outboard rigging kit features a larger 2-1/2" size tube which accommodates multiple outboard rigging hardware including throttle/shift cables, electronics cables and fuel lines. The durable hose threads into one-piece couplers - providing a complete seal at both the engine and boat side.

The new kit fits all production 3.0 Liter V-6 EFI and OptiMax cowls as well as Racing 3.0L OptiMax cowls.
