### Description

The new Mercury Racing CNCProp Cover features the Mercury Racing® logo silk-screened on a heavy-duty nylon material. The tough nylon shell resists tearing and is waterproof to protect your propeller from the elements. The new cover is designed for use with Mercury Racing 5-blade and 6-blade CNC Cleaver propellers.

#### Secure Investment

The Prop Stow™ secures spare Mercury propellers while under way.

Get the maximum performance out of your hull. Contact Scott Reichow (920) 924-2037 for additional information and price quotes on the full line of Mercury Racing propellers and custom lab finishing services.
